

Premium Care

Support Agreements

Optimum
Performance,
Minimum
Downtime,
Peace
of Mind

DFT Digital Film Technology Technical Support Services provide you with the support to help you keep your equipment and technology running smoothly, providing you with peace of mind.

A DFT Digital Film Technology PremiumCare Support Agreement provides high quality global support and expertise to help ensure that your equipment operates at optimum performance. A PremiumCare Support Agreement will provide you with a vast range of technical support services whenever and wherever you need them.

With strategically placed global support teams you can be assured that your support needs will be addressed

quickly and efficiently, ensuring you can get on with doing what you do best and leaving us to do what we do best – caring for your equipment.

PremiumCare Support Agreements

A PremiumCare Support Agreement provides you with more than just technical support when an issue arises. You will be supported by someone with industry and technology expertise as well as someone who understands your specific requirements. On-site services and 24x365 priority telephone support from factory trained personnel provide assurance that your equipment will be repaired in the shortest possible timeframe, minimizing lost revenue.

Premium Care

**Optimum Performance,
Minimum Downtime,
Peace of Mind**
